My name is Dang Van Phu. I graduated at Nguyen Tat Thanh University. I am a web developer with 6 months of experience in ReactJS Framework and 6 month Laravel. I especially love ReactJS, which is a really powerful teaching technology that helps me easily create user interfaces.. I did my own research and took Laravel courses on Udemy to improve my skills

PROJECTS

TMOVE PROJECT

08/2022 - 12/2022

Team size: 1
Role: Frontend developer
Create a website to watch movie trailers, users can search and watch the trailer before watching the movie. Of course, it's just a demo. And I built on what I learned and referenced on youtube.
Teachnology:
Front-end:ReactJS+Redux,Webpack,SCSS.
Demo:https://movie-two-sigma.vercel.app/
Github:https://github.com/PhuDang555/React-tMove
